

Your Responsibilities as a Mount Sinai Patient

- Provide accurate and complete information about your past illnesses, hospitalizations, medications, and other matters related to your health.
2. Provide, upon admission, a copy of your Health Care Proxy or other Advanced Directives, if you have one.
 3. Inform your healthcare team who in your family you would like to be involved in your treatment and decisions about your care.
 4. Tell your doctor or nurse if you do not understand your treatment plan and ask questions.
 5. Inform your doctor or nurse if there is a change in your condition during treatment.
 6. Provide accurate information related to your insurance or other sources of payment.
 7. Understand that it may become necessary to move you to another room/bed/location. We apologize for any inconvenience this may cause.
 8. Observe our visiting hours, which are subject to change at any time.
 9. Patients and Visitors are responsible for their personal property. Mount Sinai will not be held accountable for lost or stolen items.
 10. Any of the behaviors described below will not be tolerated towards other patients, visitors, or hospital staff. This includes, but is not limited to:
 - a. Verbal harassment or threats
 - b. Physical assault
 - c. Sexual harassment or sexual assault
 - d. Taking photos or videos of others without their permission
 - e. Possession or use of street drugs and alcohol
 - f. Derogatory remarks associated with, but not limited to age, color, disability, gender, gender identity, immigration status, marital or partnership status, military service, national origin, pregnancy, race, religion/creed, sexual orientation or any other status protected by law.
